

# PL - 12 / 24 Volt Lock Power Option "PL"

**2DMPL 2 door controller - power package**

**4DMPL 4 door controller - power package**

**12V & 24V**

**75W**

## Features

- 5 powered outputs
- Auto Resetting Fused Outputs
- 4 Dedicated outputs for Lock or Aux power
- Battery Back Up Charging
- LED's indication
- Fire Input
- Input power monitoring
- No transformers required

## Technical Specification

Input Power	115 AC -5' IEC cord Included
Power Output	12 VDC for 2 and 4 Door Pnals and up to 8 Readers 4 Selectable power 700 MLS @ 12 VDC or 350 MLS @ 24 VDC
LED Indication	AC Power – Main Power Output Voltage (12 or 24 volts) Output Short Fire Cut Off Indicator
